Event Format: This 90-minute pledge event is built around the core program, *Sewing With Nancy: Change Up Patchwork* and consists of three program segments (approximately 20 minutes of content each), three pledge breaks and a final segment with program grantors & credits.

Short Description: Join host Nancy Zieman as she demonstrates to how create simple quilt blocks—the 4-patch, 9-patch, and square-within-the-square— then change up the arrangements, sizes, and colors to achieve nine modern quilt projects. Nancy shares quilting tips that save time, make quilting more enjoyable, and achieve terrific results.

Part 1 – 19:28: Nancy starts this mini-series with a basic quilt block, the time-honored 4-patch design, and details the piecing techniques. Then watch as she changes it up, adjusting the sizes of the 4-patch design and working with modern color options. The results are dramatic, yet the sewing techniques are the same. This is an ideal series for beginner quilters.

Part 2 – 18:48: Make a Square Within a Square quilt block; then vary the fabric sizes for creative options. Learn to make a Square Within a Square block the traditional way; then change the mix, varying the length of the fabric pieces to stitch a Rectangle Within a Rectangle and a modern Floating Square block. All blocks and quilt designs are made with Nancy's signature streamline quilting techniques.

Part 3 – 19:00: Make a 9-patch block; then change fabric sizes to show artistic options. Nancy shows you the basics of stitching the versatile 9-patch quilt block, and then she details how to take a fresh approach toward assembling the block to change it up! Modify the size of the fabric strips, use fabric scraps to make a vintage quilt, or change the color to provide artistic options.

Segment 4 – 1:04: Grantors/credits
