Volunteer Participation Policies

Eligibility

The minimum age to volunteer for most job assignments is 16. Youth 10 and older are eligible to participate as Auction bid runners or youth auctioneers (pending the outcome of auditions).

Application Process

To request volunteer assignments, please fill out our online submission form at wpt.org/volunteer. Applications will be reviewed by program staff. Prospective volunteers will be contacted within 3-5 business days to confirm the status of their application.

Criminal Records Check

Wisconsin Public Television will conduct criminal background checks on prospective applicants ages 18 and older. Criminal charges that will preclude participation in the volunteer program include fraud, theft, violent crimes or other relevant situations as determined by program staff.

Preparation

Review your job description prior to your shift to ensure you can complete the assigned duties. Job descriptions are posted on our website or contact the volunteer office to request a written copy. WPT reserves the right to place volunteers into positions that best match their skills.

Dress Code

Because WPT is a non-partisan organization serving a broad and diverse community, political shirts and other campaign apparel are prohibited.

Training

Training and orientation will be offered at the beginning of your shift. All volunteers are required to attend training as this session will help prepare you for your job duties.

Evaluation

Volunteer supervisors and staff will provide you with constructive feedback during your shift as appropriate.

Cancellation

Please contact us at least 24 hours in advance in the event you need to cancel your job assignment. This will give us time to find a replacement for you.

Confidentiality

Volunteers are responsible for maintaining the confidentiality of all sensitive information to which they are exposed while serving as volunteers, including member and donor financial information such as bank account number, credit card number and personal identifying information such as mailing addresses, email addresses, phone numbers, etc.
